

Fellowship Community

Fiscal Year 2022

Annual Report of Giving

Mission

Inspired by the compassion of the Lord and Savior, Jesus Christ, Fellowship is a caring senior living community committed to enriching the physical and spiritual lives of those we serve.

Vision

By upholding a Biblical worldview that affirms the nature, dignity and eternal destiny of every person, Fellowship Community will achieve sustainable growth by fostering relationships, innovation, stewardship and excellence.

Core Values — R.I.S.E.

Guided by Scripture, as modeled in the Gospel, we will RISE together to fulfill our Fellowship Community mission by living our core values.

Relationships: People are our greatest asset, and we encourage a spirit of teamwork that is guided by respect, trust, compassion, acceptance and forgiveness.

Innovation & Growth: We value a teachable spirit that fosters growth through creativity, initiative, flexibility and humility.

Stewardship: We are committed to the preservation and wise investment of all our God-given resources.

Excellence: We are committed to doing everything to the Glory of God, with the mindset that all things can be improved.

On the cover:

(Left) Every aspect of the Fellowship experience is supported by gifts from generous donors. This includes spiritual well-being through our staff chaplains and pastoral care visits with each resident regularly to offer a listening ear, a concerned heart and words of encouragement.

(Center) Prior to the first game of the season, Fellowship Community residents showed their spirit and support by hosting a pep rally for the Whitehall High School football team. The rally was inspirational for both the team and our residents as they formed an intergenerational bond and mutual respect, giving us hope for a future without ageism.

(Right) Our dedicated staff place the needs of our residents at the center of all they do. This care and concern provide a sense of comfort and security and uplifts those who have chosen to call Fellowship their home.

Dear Friends,

Thank you for making a difference in the lives of our residents. Your continued support helps us provide the special touches that enable us to fulfill our mission.

Fellowship Community ensures excellent healthcare delivered by a truly exceptional team. You, our donors, are an integral member of our team as we work together to help our residents live their best lives. Your dedication to supporting Fellowship Community has made a positive impact, creating a warm and friendly environment that is welcoming to all.

Your gifts have helped to sustain our charitable care program. Fellowship provided more than \$5.7 million in charitable care to our residents who outlived their savings. Your generosity has helped us to care for 26% of our skilled nursing and personal care residents. We believe that God has blessed Fellowship Community as we answer His call to care for those who are unable to care for themselves. Fellowship ensures that every resident receives the same compassionate care and health services without discrepancy.

We look forward to your continued support of our mission.

With a grateful heart,

Mary Kay McMahon, RN, MHA, NHA
President/CEO

Current Fellowship Courts residents

"Both of our mothers were residents at Fellowship, and the staff have become like family to us. They are amazing with the residents and keep them as their priority. We made our first gift roughly 10 years ago and continue to give because we know that Fellowship uses our donations faithfully to ensure the well-being of the residents. The sincerity of the mission statement means a lot to us, and we see it in action every day."

Overall Giving

Fiscal Year 2021-22

This Report of Giving is an acknowledgment of the generous community organizations and individuals who gave so significantly this past year to the Annual Fund, to the endowment, to the Robert Zentz Memorial Scholarship Program and to the other programs of Fellowship Community.

This continued support by Fellowship's community of donors and volunteers alike is sincerely appreciated.

The Report of Giving recognizes contributions to Fellowship Community from July 1, 2021 to June 30, 2022. Every effort was made to ensure that donors' names are listed correctly and in the appropriate categories. Other donors wish to remain anonymous.

If there are errors, we apologize and ask that it be brought to the attention of Tracy Bozik, Development and Communications Manager, at 610-769-9198 or tbozik@FellowshipCommunity.com.

Charitable Care

From the Family of Eleanor Wright

"Our family has so much gratitude for the patient, compassionate care Mom received. In time, much of the cost for her care was provided through benevolence from Fellowship. This generosity allowed her to remain in her home in the Courtyard and eventually transition to a higher level of care."

Fellowship employee and volunteer

"Through the years, we both have had multiple family members at Fellowship in all levels of care. [Currently, Ann's mother is an independent living resident.] Initially, we decided to give because we got to know the residents through our employment and volunteerism and saw firsthand the good work that Fellowship does. We continue to give out of gratitude – both of our grandmothers were beneficiaries of benevolent care when they outlived their savings. They were treated with dignity, equality and compassion without regard to their condition or financial status. At Fellowship, values are at the heart of all they do. Fellowship has integrity, treats people with respect and operates with their core values in mind."

"I started giving as soon as I could. I totally believe in stewardship, and it's the right thing to do, in my book anyway. I'm dedicated to our mission because I believe that Fellowship is trying to improve the lives of our residents. It's important that we maintain a high quality of care. If giving back a little bit helps to maintain that quality of care, then I'm willing to give back."

"I enjoy giving to Fellowship because I see it as contributing to such a supportive environment. What inspired me to start giving was witnessing the care that is given to my wife. I feel that if there is any way that I could support the mission, I should do it. Here, I get a sense of the commitment to spiritually and caring – that is unique and two of the things I treasure about Fellowship."

"When I started working here, it was encouraged by the administration to give back. I believed in the mission and vision statements of the organization. I started giving in 2001 and have been giving ever since. The longer I worked here, the more value and benefit I could see as a result of my giving to assure good care of the residents."

Ways to Give

There are many ways to give, and charitable gifts allow us to meet our obligations and pursue innovative ways to provide care.

The Fellowship Fund

A gift to the Fellowship Fund supports every aspect of the Fellowship experience, providing opportunities to improve our residents' quality of life, as well as the ability for the Community to be responsive to emerging opportunities and challenges. Gifts to this area can benefit a particular program or be used wherever the need is greatest, providing immediate impact.

The Spirit Fund

Through the years, charitable care has been a hallmark of the Fellowship experience. Today, Fellowship annually provides charitable care totaling over \$5.7 million to our residents who have outlived their funds. Contributions support residents in personal care who are not eligible for government programs and help to cover shortfalls in reimbursement for those in skilled care.

Tribute Giving

A tribute gift is a meaningful way to convey sympathy to the bereaved, memorialize a loved one, commemorate a particular occasion, honor a person's life and accomplishments or acknowledge someone special. Memorial benches, tree plaques and pavers also provide an opportunity to commemorate your loved ones and beautify the campus.

Scholarship

The Robert Zentz Memorial Scholarship Program was established to "grow our own." Continued education increases opportunities for our staff to advance their healthcare careers and develop and refine their skills.

The Fellowship LPN Scholarship Fund was created to help Fellowship grow the next generation of talented, caring and compassionate nurses. At least one annual scholarship will be awarded to offset the cost of tuition, books and fees for a current employee interested in participating in the Licensed Practical Nursing program at Lehigh Carbon Community College.

Recipients are selected based on leadership abilities, evidence of our core values in their daily living and the positive impact advanced education will have on our residents.

The Legacy Fund and Planned Gifts

Endowed gifts provide a stable income stream to ensure Fellowship's long-term viability and continued excellence in improving the quality of life of our residents. Planned giving vehicles provide donors with an avenue to make a larger, more impactful gift and leave a lasting legacy, enabling Fellowship to continue to meet the needs of the aging with compassion, comfort and Christ-centered care.

For more information on giving to Fellowship Community, please contact Tracy Bozik, Development and Communications Manager, at 610-769-9198 or tbozik@FellowshipCommunity.com.
