## Charitable Care

*From the Family of Leona Wagner*

"Our mom and step-dad, Leona and George Wagner, adored being part of Fellowship Community, first as volunteers and then as residents. Eventually, our mom needed to move into personal care, and we were always so grateful for all the loving attention and compassionate care she received from everyone. Fellowship's charitable care allowed our mom to remain in place and continue to be surrounded by the people she loved so much, in the place that she loved so much."

*Current Fellowship Independent  
Living Residents*

“We give because we want to support the organization that has significantly improved our lives, especially through its activities. We hope our donations will help to fund these activities at Fellowship,” say Ron and Mary, who are among the few original Fellowship Courts residents. The Sierzegas also enjoy giving because they hope to help those who need it most. They know that the people who receive help truly appreciate it.

“We never felt judged here and always felt seen. Fellowship satisfies everyone’s needs — physical, emotional and spiritual, no matter what religion.” They give so that people in Fellowship’s care settings who have outlived their retirement funds will continue to have their needs met and live a great life at Fellowship.

"We both greatly believe in the privilege of giving. God has blessed us in so many ways, and we want to give back in a very practical way. We want to better the lives of the residents and see Fellowship's mission continue of caring for people because of and with the love and compassion of Jesus Christ. The mission means that the residents are taken care of - that is why we're here, and they are why we give. There's opportunity for anyone to serve here, and one more way we can serve the Lord is through giving."

### Karen and Bill Stull

*Fellowship family members*

My mother (pictured) raised me to be faithful to God and to understand the importance of Jesus. By giving, I can practice my faithfulness and honor my mother's legacy," states Karen, who donates to Fellowship in memory of her mother, Lilian Ettinger. "My mother received nothing but excellent care in the memory care unit. Everyone was so kind, as she received loving care and found people who, like her, grew up in the Lehigh Valley."

Karen feels her support to Fellowship Community aligns with Jesus' teaching to care for others. Through her gifts, she hopes for Fellowship to continue to support those in need, allowing others to have similar positive experiences.

"I've been here for many years, and Fellowship feels like family to me. It's not just the staff that is family, but the residents become family and you love them. We all strive to help each other here; it's what this world needs. And if more people thought this way, this world would be a much better place. Fellowship is a place where you can come and smile; it's a place where you come to live. I give because we want everyone at Fellowship Community to live their best life."

# Ways to Give

There are many ways to give, and charitable gifts allow us to meet our obligations and pursue innovative ways to provide care.

## The Fellowship Fund

A gift to the Fellowship Fund supports every aspect of the Fellowship experience, providing opportunities to improve our residents' quality of life, as well as the ability for the Community to be responsive to emerging opportunities and challenges. Gifts to this area can benefit a particular program or be used wherever the need is greatest, providing immediate impact.

## The Spirit Fund

Through the years, charitable care has been a hallmark of the Fellowship experience. Today, Fellowship annually provides charitable care totaling almost \$4.7 million to our residents who have outlived their funds. Contributions support residents in personal care who are not eligible for government programs and help to cover shortfalls in reimbursement for those in skilled care.

## Tribute Giving

A tribute gift is a meaningful way to convey sympathy to the bereaved, memorialize a loved one, commemorate a particular occasion, honor a person's life and accomplishments or acknowledge someone special. Memorial benches, tree plaques and pavers also provide an opportunity to commemorate your loved ones and beautify the campus.

## Scholarship

The Robert Zentz Memorial Scholarship Program was established to "grow our own." Continued education increases opportunities for our staff to advance their healthcare careers and develop and refine their skills.

The Fellowship LPN Scholarship Fund was created to help Fellowship grow the next generation of talented, caring and compassionate nurses. At least one annual scholarship will be awarded to offset the cost of tuition, books and fees for a current employee interested in participating in the Licensed Practical Nursing program at Lehigh Carbon Community College.

Recipients are selected based on leadership abilities, evidence of our core values in their daily living and the positive impact advanced education will have on our residents.

## The Legacy Fund and Planned Gifts

Endowed gifts provide a stable income stream to ensure Fellowship's long-term viability and continued excellence in improving the quality of life of our residents. Planned giving vehicles provide donors with an avenue to make a larger, more impactful gift and leave a lasting legacy, enabling Fellowship to continue to meet the needs of the aging with compassion, comfort and Christ-centered care.
